EDUCATION

B.E(Electronics and Communication Engineering)-Velammal Institute of Technology, Chennai.
2022-2026|**CGPA:**8.45

SSLC:76.8% - St. Thomas Silver Jubilee Matriculation School, Mathur, Chennai (2020)

HSC:82.66% - St. Thomas higher secondary School, Madhavaram.(2022)

AREA OF INTEREST

- Network and Security
- Software Development

TECHNICAL SKILLS

- Java
- SQL
- Lab View
- Digital Electronics

SOFT SKILLS

- Strong Communication
- Quick Learner
- Problem Solving
- Time Management

CERTIFICATIONS

- AWS - AWS Cloud Essentials
- AAdHYAA SKILLS - NI Lab View
- IBM - AI Fundamentals
- GUVI HCL - DevOps Practitioner

CARRER OBJECTIVE

Motivated and result-driven Electronics and Communication Engineering student seeking an opportunity to work in a challenging environment where I can utilize my technical skills, expand my knowledge and contribute to innovative solution . Eager to collaborate with a forward-thinking team and systems the growth of the organization, while continuously enhancing my professional and technical development

PROJECTS

AI Automated Retinal Disease Detection Using Medical Imaging and Deep Learning

Built an AI-powered retinal disease detection system using CNN and medical imaging techniques for automated diagnosis and classification of retinal abnormalities

IOT-Based Smart Irrigation System - MYDAQ

Developed an IoT-enabled smart irrigation system with NI myDAQ for real-time soil moisture monitoring and automated irrigation control to optimize water usage in agriculture.

Automated Mattress Cleaning for Elderly Care

Developed an IoT/robotic-based system that automates mattress cleaning and sanitization in public and healthcare spaces, ensuring hygienic and safe resting areas for elderly individuals through sensor-based detection and automated cleaning mechanisms.

CO-CURRICULAR ACTIVITIES

- Participated in Network Simulation – 3 workshop conducted by Velammal Institute of Technology, Chennai.
- Won Second Prize in the Paper Presentation Competition at the Symposium conducted by SEEE, Easwari Engineering College – March 2, 2024.
- Participated in the Rapid IoT Prototyping with Raspberry Pi, AWS IoT & Node-Red Workshop Organized by Cloudkampus at Mylapore
- Secured 2nd place in departmental technical quiz competition (2025)
- Winner in Inter-Engineering College Cricket tournament held at Jaya engineering college(2024)

EXPERINECE

Mitsuba Pvt. Ltd., Chennai | Internship Trainee

- Gained hands-on exposure to automotive manufacturing processes, quality assurance, and industrial operations.
